

FINE ARTS FOCUS PROGRAM

DANCE
DRAMA
MUSIC
VISUAL ARTS
TECHNOLOGY & THE ARTS

HERITAGE
HERITAGE REGIONAL HIGH SCHOOL

The Heritage Regional High School Fine Arts Focus program provides a vibrant arts core education that promotes academic success through artistic exploration. Students will have the opportunity to participate in performances and exhibitions and to develop their artistic potentials.

Students in the program have a reduced academic day to allow for two hours of artistic instruction per day from Monday through Thursday. Academic support is built into student schedules.

Admission into the Fine Arts Focus program is based on a combination of academic,

artistic and interview skills. Students applying into Dance, Music, and Theatre must pass an audition, Visual Arts applicants must provide a portfolio of work.

Facilities include an excellent auditorium facility; computer labs; dance studios; a fully equipped TV studio (with cable broadcast capability); music rooms with individual rehearsal booths; costume rooms; spacious art rooms with projectors; and a readily accessible A/V center. Coming soon: recording studio!

For more information regarding applications, fees and auditions please contact the program coordinator:
