Saint-Hubert, January 30, 2018 – Riverside School Board is pleased to announce an investment of approximately 2.5 million dollars for the construction of a gymnasium at REACH School Queen Campus in Saint-Lambert. We believe the new facility will be a huge benefit to our students and to the community.

Chief Government Whip and Member of Parliament for Laporte, Nicole Ménard, made the announcement yesterday afternoon at REACH School on behalf of the Ministre de l'Éducation et de l'Enseignement supérieur; Minister responsible for the Capitale-Nationale region, Sébastien Proulx. Also present for the event were Pierre Brodeur, Mayor of the City of Saint-Lambert, Dan Lamoureux, Riverside School Board Chair, many Saint-Lambert City Councilors, Riverside School Board Commissioners and administrators, and REACH School's Governing Board representatives.

Riverside School Board is looking forward to developing a new relationship with Saint-Lambert, one of collaboration and support. To realize the unique character and concerns of Saint-Lambert's citizens, we will strike a committee of elected officials, along with citizens, to review and make recommendations to how best proceed with this project. We wish to move forward on this major project in a way that is beneficial to all.

Riverside School Board is dedicated to providing the best educational opportunities to all our students. The students at REACH School will reap the benefits of having a gymnasium, which will better prepare them for their future and allow them to integrate within the community at large.
