Riverside School Board conducts an annual formal recruitment process for our “bank” of potential candidates for in-school administrator positions (elementary, secondary, adult ed and voc training).

If you possess a BREVET and have an interest in exploring an administrative position at Riverside as a career option, you are invited to join us for an information session where you will learn what we are looking for, our expectations and requirements, and the process for the selection of candidates.

Please note that the minimum requirement for an administrator post is a certification in leadership (30 credits). If you do not have this completed, you will be required to start the programme if you are hired in an administrative position at Riverside School Board.
