Dear Students:

Thank you all very much for taking the time to write and send your drawings to me about Canada's veterans and active duty soldiers. I am very impressed with how well-done they are.

We should always remember the brave Canadian women and men who served our country in order to allow us to live in peace and prosperity. Your writings and drawings are a great reminder of the sacrifices that members of the Canadian Armed Forces and their families made and continue to make.

Thank you once again for sending me your Remembrance Day commemorations, and I wish you all the best in the remainder of the school year.

Sincerely,
