STAFF APPRECIATION WEEK FEBRUARY 20 – 24

They say it takes a village to raise a child... the staff that works in our school, be it the teachers, the daycare workers, support staff and the administrative team represent a big part of that village. Our children spend 30+ hours each week during 10 months of the year living in this village, and our staff at St. Johns is doing an outstanding job at providing an environment where our children can thrive.

We may forget the impact the teachers and school staff have on our children – schools are busy places, parents are busy people, and the teachers and staff are equally busy people. It's not surprising that sometimes we miss out on chances to stop and reflect upon the influence that they have on our children. The week of February 20th through 24th has been set aside as Staff Appreciation Week to focus attention on the many outstanding individuals whose work deserves applause.

Please join your Parent Participation Organization (PPO) in thanking the St Johns Staff and encourage your child to do the same. If you choose, a card, a treat, a classroom supply, or even a homemade gift can go a long way in showing our thanks.

For any questions, please feel free to reach out to our PPO members via email at stjohnsppo@gmail.com
