

November 22, 2021

Dear Parents and Guardians,

Please see below for a few safety reminders **if you are dropping off or picking up your child**:

1. **Do not park:**
  - on the crosswalks
  - where prohibited
  - in *Emballage St-Jean's* parking lot (neighboring company)
2. Ensure that your child **uses the passenger side doors** when entering or exiting your vehicle. This will avoid putting them in danger from other vehicles circulating on rue Saint-Michel.
3. **Use the drop-off areas** in front of the school.
4. Should you drop off your child across the street from the school, make sure they **use the crosswalk**. **Under no circumstances should students pass between parked cars or buses.**
5. If you are accompanying your child to the door, you must **wear a mask on school grounds**.
6. **Do not use the staff parking lot or the driveways**. Using it puts your child at risk.
7. As a member of the St. Johns community, please remember to **be courteous and respectful with our neighbours**.

Thank you for your collaboration,

Colleen Lauzier, Principal  
Valerie Caya and Anthony McGuinness, Vice-Principals
