### **CONSULTATION**

With respect to the Three-Year Plan of Allocation and Destination of Immovables for School Years, 2022-2023, 2023-2024 and 2024-2025, the school board is required to consult with all municipalities whose territory is situated entirely or partially within its area.

The following groups will also be consulted on the full document:

### **BUILDING CAPACITY**

The calculation used to arrive at the building capacity for schools shown on the following pages is as follows:

Elementary: number of classrooms minus number of specialty rooms and regional program rooms multiplied by 24 plus number of regional program rooms x 10 x 90%

High Schools: number of classrooms + gymnasias + labs x 29 x 85% x 90%
