Priorities for the Upcoming School Year

- We want to lower the percentage of students who do not feel safe attending school.
- We want a common understanding of what bullying and anxiety are for all staff members as well as for students.
- We want to make sure the protocol for reporting actual instances of violence and/or bullying in our school is followed.
- We want to improve our code of conduct procedure (example: contract in agenda with clear consequences for each offense).

Actions / Initiatives to Let Go or Maintain

- Initiatives put in place for the year and assessment of effectiveness of the actions.

- Success assemblies
- Bullying presentations from outside organizations (DJ Malik)
- Consider pertinent presentations given by outside sources, such as RVCLC, community police officer, Arc-en-ciel, Dynamix, Geordie Productions, Epique, CLSC board consultant.
- Offer lunchtime activities, small social groups
- Adequate, proactive supervision in the school yard.
- Read stories to students about bullying, diversity, and inclusion.
- Recognize, reward, and promote positive behaviors and accomplishments.

Actions / Initiatives to Develop

- *Our School Survey* results.
 - Review and analysis of GPI/ ISM (digital reporting platform) entries related to bullying and / or violence to assess decrease or increase in incidents of bullying and/or violence.
-
- Offer peer mentoring (with cycle 3 students).
 - Increase the frequency of school success assemblies and take the opportunity to speak to students
 - Discuss the definition of bullying during assemblies.
 - Discuss the Code of Conduct with the students in each class.
 - Teach students, parents, and members of the school staff the different definitions as well as the roles and responsibilities of each (victim, spectator, witness, etc.) during assemblies and meetings.
 - We want to recognize, reward, and promote positive behaviors and accomplishments more often (Monthly assemblies and Facebook Page).
