(Education Act Section 13(1.1))

<http://www.education.gouv.qc.ca/en/current-initiatives/bullying-and-violence-in-the-schools/bill-56/>

Violence

The word “violence” means any intentional demonstration of verbal, written, physical, psychological or sexual force which causes distress and injures, hurts or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property. Sexual Violence

"The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by a technological means."

Racism

Racism means: “Racism corresponds to the “set of ideas, attitudes and actions whose purpose is to make ethnocultural and national groups feel inferior socially, economically, culturally and politically, thereby preventing them from benefitting fully from the advantages to which all citizens are entitled.” Racist discourse is usually based on real or presumed physical and cultural differences.” https://www.mifi.gouv.qc.ca/publications/fr/recherchesstatistiques/Pub_Immigration_et_demo_2015.pdf

Discrimination

Discrimination means:” Every person has a right to full and equal recognition and exercise of his human rights and freedoms, without distinction, exclusion or preference based on race, colour, sex, gender identity or expression, pregnancy, sexual orientation, civil status, age except as provided by law, religion, political convictions, language, ethnic or national origin, social condition, a handicap or the use of any means to palliate a handicap. Discrimination exists where such a distinction, exclusion or preference has the effect of nullifying or impairing such right.” (Charter of Human Rights and Freedoms, section 10). <https://www.legisquebec.gouv.qc.ca/en/document/cs/c-12>

Analysis

An analysis of the situation prevailing at the school with respect to bullying and violence is conducted each year by using the following indicators:

- Review and analysis of GPI / ISM (digital reporting platform) entries related to bullying and / or violence
- Results from the latest *Our School Survey* (formerly *Tell Them From Me*).

Feel safe at school as well as to and from school

- **60%** of our students felt safe attending the school; The Canadian norm for these grades is **64%**.
- **64%** of the girls and **58%** of the boys felt safe attending the school. The Canadian norm for girls is **66%** and for boys is **64%**.

Students who perceived moderate to severe anxiety

- **31%** of students in this school had moderate to high levels of anxiety;
The Canadian norm for these grades is **22%**.
- **41%** of the girls and **21%** of the boys in this school had moderate to high levels of anxiety.
The Canadian norm for girls is **26%** and for boys is **18%**.

Bullying and Exclusion

- **20%** of students in this school were victims of moderate to severe bullying in the previous month;
The Canadian norm for these grades is **28%**.
- **24%** of the girls and **14%** of the boys in this school were victims of moderate to severe bullying in the previous month.
The Canadian norm for girls is **26%** and for boys is **31%**

Students with a positive sense of belonging

Students who feel accepted and valued by their peers and by others at their school.

- **74%** of students in this school had a high sense of belonging;
The Canadian norm for these grades is **79%**.
- **72%** of the girls and **79%** of the boys in this school had a high sense of belonging.
The Canadian norm for girls is **78%** and for boys is **80%**.

Priorities

Coming out of the pandemic years, we are happy to see that some of our results are improving and better reflecting our reality. We are once again able to offer activities (clubs, House League, SSIAA) and counselling sessions at “the Hive” for students with concerns, conflicts, or other stressors. Our sense of belonging went down by 1% to 74% which is stable. Our boys are at 79% which is slightly below the Canadian norm of 80%. Our girls are lower at 72% but up from last year’s figure of 69%. We are putting every effort into increasing these numbers as it is a priority for our students to feel safe and that they belong.

We hope that the relative return to normalcy this year will bring back some sense of safety to our students. As a staff, we are also continuing to work on building attachment which we feel will have a positive impact on our students. The fact that 88% of students mentioned that they have positive relationships is a good indicator that our efforts are paying off (this is above the Canadian average of 84%).

The results of 2023’s OurSchool Survey indicated that only 20% of students were victims of moderate to severe bullying in the previous month (the Canadian norm for these grades is 28%). Reducing this number even further is still a priority as we will continue to focus on conflict reduction and peaceful resolutions, communication with parents, offering different activities that focus on feeling safe and developing a sense of belonging as well as defining the different terms and topics with students and their parents.

TRANSPORT: The mTransport app which helps parents track bus movement is about to be launched by Riverside School Board. This will allow parents to better follow their children and reassure them as they travel to and from school.

OUTREACH TO PARENTS: Informing parents of our ABAV plan as well as resources to help them with the vocabulary behind the program. We also put out a weekly memo so that parents are always up to date with the latest activities within our school community.

Our CLC continues to support with community outreach, helping to build important links with our stakeholders.

Since we are fortunate enough for our school campus to be surrounded by nature, the emphasis on Outdoor Education continues to be a major focus for our teachers. They are encouraged to take their students outside as much as possible as research proves its positive impact on learning, health, and well-being.

Element 2 PREVENTATIVE MEASURES

To address the area(s) of concern, the following preventative measures aimed at putting an end to all forms of bullying and violence; in particular those motivated by racism or homophobia or targeting sexual orientation, sexual identity, a handicap or a physical characteristic include:

1 -	Offer activities/workshops in the classroom as well as extracurricular activities. Continue with the MOOZOOM program during ERC/CCQ to educate our students about different sensitive topics. Organizations such as Shine, Arc-en-ciel, SPAL (to name a few) offer information sessions on bullying, self-esteem, respect and rights and responsibilities
2 -	Supervision Plan continues to be adjusted (ex: Technician outside at recess/lunch) to better supervise and deal with conflicts immediately. Trained students will take on leadership roles (responsibility of the equipment, animating games), respecting “Ma Cour, un Monde de Plaisir’s” philosophy
3 -	Continue to build and use a school library of powerful “anti-bullying”, diversity and inclusion books.
4 -	“The Hive” continues to support our students’ needs by offering various activities and social groups
5 -	Promote and educate different initiatives/themes (i.e., Pink Shirt Day against bullying, Orange Shirt Day for Truth & Reconciliation, Autism Awareness Day, etc.)
6 -	Using our “Bee Kind” initiative with students and staff to help promote kindness in our community. We purchased “Bee Kind” t-shirts for our entire school and while these can be worn at any time, we will wear them all together on specific dates to promote unity and kindness.
7 -	Sheltered Lunches and Alternative Recesses
8 -	Open Communication with Parents

9 -	
-----	--

10 -	
------	--

The success of this plan depends on the understanding and support of all of our stakeholders. School administrators and staff play a key role in developing programs and strategies to improve daily school life. Students also have a responsibility to promote and support positive behaviours. Parents/ Guardians are equally important and necessary partners in this initiative. Parents/ Guardians are encouraged to be active advocates for their children and to be aware of changes in their behaviours and to contact the school when behaviours at home become a concern.

The following measures are aimed at encouraging parents/ guardians to collaborate in preventing and stopping bullying and violence and in creating a healthy and secure environment.

1. The School's Code of Conduct will be communicated with the parents/guardians (agenda, curriculum night, bulletins/memos, and/or on school website).
2. The ABAV Plan will be explained and made available to parents/guardians; it will be posted on the school website, under the tab ABAV.

Ongoing communication between principal and / or their designate and parents/ guardians of children who are being bullied and those who are engaging in bullying behaviours until the resolution of the situation. Periodic communication with students who are bullied and their parent(s)/ guardian(s) to ensure that measures taken have been successful and the bullying has ceased.

- There are pages in our Student Agenda that can be used to report when a child has broken our Code of Conduct.
- Information or links are posted on the school board's website, Mount Bruno's website, and our Facebook page with relevant parent information. (For example: Signs that a child is being bullied, how to talk with their child about the situation, how to help your child if they have witnessed bullying, Internet Safety, cyber-bullying, etc.)
- Possible interventions to establish partnerships with parents: identify students with behavioural difficulties – school Principal/teacher makes initial contact at the beginning of the year to discuss how 'we' want the year to be successful for the student. For students with behavioural challenges, call home when positive behaviours are seen. Focus is set on preventative measures and different professionals may be involved to create an action plan if need be (ex: Psycho-Educator)
- If necessary, the use of a reflection sheet completed by the student and an adult responsible at school. Afterwards, it is sent home to allow follow-up with the parents.

Encourage open discussions between parents and children concerning how to feel safe in the school (i.e.: Referring to our Mount Bruno ABAV plan).

The school will take the necessary measures to ensure confidentiality for all parties.

An incident of bullying and/or violence can be reported verbally (in person or by phone) or in writing (by email or by letter addressed to school administration). Students who wish to write a note to report an incident are encouraged to include their name for follow up.

Staff members who receive a report must document the information and submit the information to administration for follow up. On receiving a complaint concerning bullying or violence, and after considering the best interest of the students directly involved, the principal shall promptly communicate with their parents to inform them of the measures in the anti-bullying and anti-violence plan. The principal shall also inform them of their right to request assistance from the person specifically designated by the school board for that purpose.

Complaintsofficer@rsb.qc.ca Gary Tennant

When parents/guardians have been told about a bullying situation or an act of violence, they are expected to communicate with the school principal, an alternate administrator or the classroom teacher. The report will be documented. Following the investigation, the parent/guardian should be contacted and advised that the situation has been investigated and appropriate action has been taken. Details are divulged so as to maintain confidentiality.

Student:

- Any student who witnesses an act of bullying or violence must tell a staff member at school and should tell an adult at home (if adults have been advised of procedures, they will know how to proceed).
- Phone call to parents from the administration; records are kept.

Parents: Possible forms of contact from parents:

- Phone call
- Letter

Email

School personnel must report and/or investigate all incidents of bullying and take appropriate action whether they personally observe incidents or learn of them by some other means. - Direct or indirect, relationally aggressive behaviour such as social isolation, rumor spreading, or damaging someone’s reputation;
- Any of the above conduct which occurs off school grounds when such creates, or can reasonably be expected to create, a substantial disruption in the social setting and/or at school-sponsored activities and events.

- Blocking access to school property or facilities;
- Stealing or hiding or otherwise defacing books, backpacks or other personal possessions;
- Repeated or pervasive taunting, name-calling, belittling, mocking putdowns, or demeaning humour relating to a student’s race, colour, gender, sexual orientation, ancestry, religion, disability, or other personal characteristics, whether or not the student actually possesses them, that could reasonably be expected to result in the disruption of school activities or that results in a hostile educational environment for the student.

Conduct that would **not** ordinarily be considered bullying or violence includes:

- Teasing
- “Talking trash”
- Trading of insults

The expression of ideas or beliefs that are protected by the *Canadian Charter of Rights and Freedoms*, so long as such expression is not lewd, profane, or intended to intimidate or harass another.

3. A bullying/violence incident must be documented.
4. The school principal or their designate must investigate all reports in a timely fashion, preferably within 24 hours (when possible) of receiving initial report.

PROTOCOLE D'INTERVENTION DES ÉLÈVES

STUDENT RESPONSE PROTOCOL

Any student who witnesses an act of bullying or violence has an obligation, as a responsible member of the school community, to intervene if the situation does not threaten their well-being, or to report the incident to school authorities.

The following are the means through which a student may do so:

- Inform a staff member on duty.
- Inform administration.
- Mention it to a teacher or staff member they trust.
- Tell parent/guardian.

PARENT / GUARDIAN RESPONSE PROTOCOL

- Report the incident to a school administrator or classroom teacher.

***At the discretion of the principal or their delegate, police intervention may be requested.**

Measures to protect the confidentiality of any report or complaint concerning an act of bullying or violence shall include:

1. Staff is reminded that every incident and the ensuing follow-up must be kept confidential. This is done at least once each year.
2. Reports of bullying and / or violence are recorded on a digital database that has restricted access.
3. Use of intervention strategies that protect the anonymity of persons who report or provide information.

Element 7

SUPERVISORY AND SUPPORT MEASURES
(for the victim, bully, witness & bystander)

It is the responsibility of every adult staff member to use difficult / challenging situations as opportunities to help students improve their social and emotional skills, accept personal responsibility for their learning environment, and understand consequences for poor choices and behaviours.

A clear distinction exists between *remediation* and *consequences*.

a) **Remediation**, intended to counter or “remedy” a behavioural mistake, can be an effective prevention practice. Remediation measures are intended to correct the problem behaviour, prevent a reoccurrence, protect and provide support for the victim and take corrective action for documented systemic problems related to bullying and violence. Remediation measures allow the student an opportunity to reflect on behaviours, learn pro-social skills and make amends to those affected. Working with recovery plans and restorative justice practices are categorized as remediation.

b) **Consequences** communicate to a perpetrator that their behavior is their choice and their responsibility. A consequence respects the child’s right to make a decision, even if it’s not a good one. It’s a matter-of-fact learning experience in which you maintain a better relationship with the child as you hold them accountable. Consequences are almost always enacted in conjunction with remediation measures and restorative practices. Measures should be applied on a case-by-case basis and take into consideration a number of factors including:

Student Considerations:

- Age and developmental maturity of the students involved;
- Nature, frequency and severity of the behaviours;
- Relationships of the parties involved;
- Context in which the alleged incidents occurred;
- Patterns of past or continuing behaviours;
- Other circumstances that may play a role.

School Considerations:

- School culture, climate and general staff management of the learning environment;
- Social, emotional and behavioural supports;
- Student-staff relationships and staff behaviour toward the student;
- Family, community and neighborhood situation;
- Alignment with policies and procedures.

Examples of remedial measures and consequences may include, but are not limited to, the examples listed below:

Remediation Measures for Victims

- Meet with counsellor / mentor / special education technician / administrator / staff member to:
 - Create a safe environment to allow victim to explore feelings about incident. Maintain open lines of communication.
 - Develop a plan to ensure student's emotional and physical safety at school.
 - Ensure student does not feel responsible for the behaviour.
 - Ask student to log and report any and all future related incidents.
 - Offer counseling to help develop skills for overcoming the negative impact on self-esteem.
- A staff member will conduct scheduled follow-up meetings with the student to ensure the bullying or violence has stopped and to provide support to the student. The degree of support offered at these meetings and their frequency shall depend upon the feedback from the victim regarding the current circumstances.
- In all cases, it will be determined which members of the school staff must be made aware of the incident to ensure that the student is safe.
- Parents/Guardians will be informed immediately following the incident and regularly updated until the situation is resolved.
- Other :

Remediation Measures for Witnesses

- Following the incident, an intervention may be held with any witnesses to determine their role in the incident. If the incident witnessed is severe, witnesses are met, in a group or individually, to debrief the event, discuss their role and to determine more appropriate actions in the future.
- The school reserves the right to contact the parents/ guardians of bystanders.
- As with victims, witnesses to acts of bullying or violence should have a reasonable expectation of feedback from intervening adult figures in a timely manner so as to guarantee a sense of safety and security in the school.
- Other :

Remediation Measures for Student Exhibiting Bullying Behaviour

- Develop an intervention plan with the student. Ensure the student has a voice in the outcome and can identify ways they can solve the problem and change behaviours.
- Meet with parent(s)/guardian(s) to develop a recovery plan agreement to ensure all understand school rules and expectations, as well as the long term negative consequences of bullying or violence, on all involved, and to clearly outline the consequences if the behaviour continues.
- Meet with special education technician, school counsellor, social worker or psychologist to:
 - Explore mental health issues or emotional disturbances – what is happening and why?
 - Offer additional social skills training such as impulse control, anger management, developing empathy and problem solving.
 - Arrange for apology – written is recommended.
 - Arrange for restitution – particularly if any personal items were damaged or stolen.
 - Determine restorative practices (age appropriate).
- Other :

Remediation Measures for Student Bystanders

- Review Student Response Protocol.
- Explore reasons why they did not intervene or report the incident.
- Offer of coaching on how to safely intervene or help the situation.
- Other :

Element 8

- For each complaint received concerning bullying or violence and each report received relating to an act of sexual violence, the principal shall send the director general of the school board a summary report on the nature of the incident and the follow-up measures taken. The summary report concerning an act of sexual violence shall also be sent to the regional student ombudsman.
