

# Winter Playground Rules

Shovels are for snow only

We **do not** throw snowballs

Sleds are not for sliding  
on the mountain

Stomp your boots before  
coming inside.

We respect other people's  
snow creations

If you don't have  
snow pants,  
you must stay  
on the asphalt

Don't forget to shake off your clothes and

This will help to keep the floors dry
